

YUDOF'S WRONG CHOICES

FURLOUGHS FOR UC WORKING FAMILIES MAKING UNDER \$40,000 WOULD ONLY *SAVE \$8 MILLION

YUDOF IS ABLE TO MAKE BETTER CHOICES, WILL HE?

- ✓ \$10 MILLION DOLLAR FIXER-UPPER MANSION
- ✓ \$30 MILLION DOLLAR BONUS PAY FOR UC'S 50 HIGHEST-PAID PEOPLE
- ✓ \$11,000 UC PAID MONTHLY MORTGAGE

BAD FOR ALL OF US!

"This is an outrageous waste of taxpayer money...this is just more of the extravagance that the UC insists on wasting its money on."

- John Simpson of Consumer Watchdog
The San Francisco Chronicle, May 2008

UC EXECUTIVES SAY

UC Executives say cuts include campus services, that means potential layoffs whether or not we negotiate a furlough.

Their real plan is to double-hit us with furloughs and layoffs, and contract out our work.

WE SAY NO TO BAD CHOICES!

THE TRUTH

- Our contract protects us from furloughs.
- Layoffs are not a real solution to the budget.

“Yudof’s scare tactics won’t work. We are enforcing our contract and we are exposing where the money is to save our jobs.”

- Lakesha Harrison, President
